

CONTRACTOR PARTICIPATION

- YOUR CONTRACTOR OR IN HOUSE REMOVAL TEAM CAN USE GRIP ON SITE LIVE TO OUR DATA READERS FOR A PROPER, DETAILED ANALYSIS AND UPLOAD.
- CITIES CAN USE ANY GPS CAMERA / PHONE LIVE TO GRIP READERS.
- SOME CONTRACTORS HAVE DATABASES BUT THEY ARE RARELY INDEPENDENT. INACCURATE READINGS ARE A CONSTANT PROBLEM AND SHARING OR PROVISION OF DATA IS OFTEN IMPOSSIBLE OR TAKES WEEKS FOR A RESPONSE.
- BY USING GRIP AND OUR TEAM, ALL DATA IS READ BY THE SAME STAFF WHO CAN READILY IDENTIFY AND LINK NEW AND OLD OFFENDERS BETWEEN CITIES WHICH IN TURN ENSURES YOUR POLICE HAVE THE BEST POSSIBLE OPPORTUNITY TO INVESTIGATE AND GAIN RESTITUTION THROUGH THE COURTS ONCE THE OFFENDERS HAVE BEEN CHARGED.

QUESTION: Can your contractors ...

- Identify who this offender is, or do they care?
- Know his value in damage is \$23,450.00
- That he is offending in 4 cities
- Is linked to 9 other wanted offenders
- Has damaged other property while tagging
- Has a facebook page
- Boasts of committing arson and drug use.
- Is likely to offend in 4 specific locations
- Is employed, 22 years old giving opportunity for restitution once apprehended

This offender is known as "ADUPS" and we can answer "YES" to all the above.
